Boston Children's Hospital

Where the world comes for answers

Legal Sea Foods is proud to fuel the search for cures at Boston Children's Hospital. We're donating a portion of proceeds from every kids' meal sold to the Zon Lab at Boston Children's, where a zebrafish research has led to lifesaving breakthroughs. Our long-standing support has led to millions of dollars in vital funding and helps keep every child healthy. Learn more at legalseafoods.com/boston-childrens

One hundred percent of the funds raised through this program, which is being conducted by a commercial co-venturer, will be used to support Boston Children's Hospital care and research. Boston Children's Hospital is located at 300 Longwood Avenue, Boston, MA 02115, (617) 355-6000
